

## Mercury Overview

Our direct integration to **Mercury Payment Systems®** takes the cost, complexity and confusion out of processing credit, debit, and gift cards in your store:

- Free payments platform built into the point-of-sale
- Free 24/7 direct support (U.S.-based experts available around the clock)
- Free, unlimited gift card transactions
- Unique MercuryStand-In™ service to keep you processing through authorization network outages
- Proactive troubleshooting alerts
- MercuryView® web portal with real-time transaction reporting, daily deposit details, and monthly statements
- Competitive rates
- Easy enrollment in 24-48 hours

Smart Payment Processing™
